The Interested Party must open a user account to be able to execute the Agreement. This is carried out by means of filling in the registration form containing mandatory data on the Interested Party that are necessary for drawing up and executing the Agreement, contact details and other supplementary information concerning the Interested Party's specific requirements (e.g. barrier-free access), user name, password and other requisites necessary for the operation of the user account in the Lessor's system.
- 2) The access to the user account is secured by means of a user name (usually the e-mail address of the Interested Party) and password selected by the Interested Party in the registration form. The Interested Party is obliged to maintain confidentiality of the information necessary to access his user account. Any potential damage arising on account of the Interested Party enabling third parties to use the user account shall be borne by the Interested Party.
- 3) The expiration date of the user account is tied to the term of the Interested Party's individual Lease Agreements; the Interested Party's user account will remain open for a fixed term, until the [end of the Lease Agreement](#).
- 4) The registration form for opening a user account can be filled in and delivered to the Lessor as follows:

- a) Electronically through the www.24safe.cz website. The Interested Party shall check the form after filling in all the details and send it to the Lessor's system by clicking on the respective button.

The Interested Party will receive an SMS containing a unique one-time code for access to the user account at the www.24safe.cz portal.
- 5) The Interested Party subsequently delivers his requirements concerning the subject of the specific Lease Agreement to the Lessor. This may be done electronically using the user account at www.24safe.cz, or in person at the Lessor's registered office. The Interested Party shall inform the Lessor of the selected type of the Safe Deposit Box, option of the lease relationship and the desired manner of payment of the rent. After filling in these details, the Interested Party shall be informed by the system of the price of the lease according to the selected option of the lease relationship for the appropriate period, including the associated fees. Payment of the final price is a precondition for execution of the Agreement. If the Interested Party pays through the payment gateway, he shall receive the tax receipt through e-mail. If he pays in person at the Lessor's registered office, the tax receipt shall be given to him immediately after payment. The procedure is described in detail in the User Manual. The Agreement cannot be executed unless the payment is carried out.
 - 6) The Interested Party shall appear at the Lessor's registered office for the execution of the specific Lease Agreement. After his identity is verified and a confirmation obtained that the payment was carried out, an employee of the Lessor shall present the text of the Agreement to the Interested Party. Prior to the execution of the Agreement, the Interested Party is obliged, in his own interest, to get acquainted with the General Terms and Conditions and the other operational regulations of the Lessor (the Price List, the Manual, fire and safety regulations). Upon execution of the Agreement and the GT&C, the Interested Party becomes the Lessee for the purposes hereof.
 - 7) By executing the Agreement, the Lessee expresses his consent with the wording of the Agreement, the GT&C, Price List and the User Manual. Additionally, the Lessee acknowledges that the Lessor is providing the Lessee with a lease of an empty Safe Deposit Box, free of defects and fully functional, together with two keys. The Lessee simultaneously confirms that he accepts the Safe Deposit Box in the aforementioned condition and that he shall return it to the Lessor in the aforementioned condition as of the date of termination of the lease (taking into account the usual wear and tear). The Lessee acknowledges that the Lessor does not have any other key to the provided Safe Deposit Box and, in the event the keys are lost, the Safe Deposit Box can only be accessed by forcible means with the participation of the Lessor's representative. The Lessee shall be liable for the damage thus caused.
 - 8) After the execution of the Agreement, the Lessor shall provide the Lessee with a personal card enabling access to the Safe Deposit Boxes delivery point, where his Safe Deposit Box can be manipulated with. If the Lessee is a legal person, the personal card shall be given to the natural person who executed the Agreement. In case the Lease Agreement is executed on behalf of the Lessee by a person authorised by the Lessee on the basis of a power of attorney downloadable from the web portal at www.24safe.cz and containing an authenticated signature of the Lessee, the personal card shall be given to the natural person who executed the Agreement.
 - 9) The Lease Agreement shall always be concluded for an indefinite period. The Lessee shall be entitled during the validity of the Agreement to reduce or increase the number of leased Safe Deposit Boxes, change the type of leased Safe Deposit Box, make changes to the option of the lease relationship specified in the Agreement, order or cancel additional services. However the option of the lease relationship can be changed only after the expiry of the period in which the Lessee has the right to cancel the Agreement according to the current option. When such a change is made of the option to the option valid at the time of such a change, the Lessor shall issue a tax document (invoice) for the amount corresponding to the relevant option and corresponding to the current Price List at the time of the change to the option, once it is paid. Payment of the rent shall be made with the change to the

option. Once the Lessor is transferred to the different option, the Price List and GT&C shall be valid at the time of the change to the option. With this option the Lessee can cancel the Agreement according to the terms and conditions corresponding to the new option, however the earlier months of the lease according to the previous options shall be included in the new option.

- 10) The terms and conditions of termination of the Lease Agreement by notice are regulated in the Lease Agreement and GT&C.

The notice must be given by the Lessee in person at the Lessor's branch. After all the Lessee's obligations under Article IV (2), (3) and (4) are fulfilled, the Lessor shall return to the Lessee the overpayment of the rent for the period from the following month to the end of the paid period (partial settlement period) and shall settle the deposit.

- 11) The Lessee may authorise third parties, hereinafter the "Authorised Persons", to access the Safe Deposit Box. The Lessee may not grant to the Authorised Persons any other rights but the right of access, with the exceptions stated below. The service may be ordered only in person at the 24SAFE client centre, in the two following ways:

- The Lessee together with the Authorised Person must appear at the 24SAFE client centre where they execute an authorisation amendment to the relevant Lease Agreement. The Authorised Person must appear in person for the purposes of verification of identity and potential issuing of a personal card, unless the Authorised Person himself has leased another Safe Deposit Box.
- The Authorised Person appears alone only with the power of attorney downloaded from the www.24safe.cz web portal and containing the Lessee's authenticated signature. The power of attorney authorises the Authorised Person to execute the authorisation amendment to the Lease Agreement and to access the Safe Deposit Box. Prior to execution of this amendment, the Lessee shall receive a notification SMS to verify whether the request to appoint the Authorised Person is authorised.

- 12) The Authorised Person is obliged to comply with the provisions of the Agreement and the GT&C to the same extent as the Lessee. Detailed procedures concerning appointing of Authorised Persons are stipulated in the Manual. The Lessee may withdraw the authorisation granted to the Authorised Persons; the Lessee is obliged to inform the Lessor of the withdrawal of the authorisation (through the Lessor's website at www.24safe.cz, by telephone, in writing or in person). After receipt of this information, the Lessor shall immediately deactivate the Authorised Person's personal card. Only a person over 18 years of age enjoying full legal capacity may become an Authorised Person.

IV. Acceptance and Return of the Subject of the Lease

- 1) The Lessee shall accept the subject of the lease during the "**First Use of the Safe Deposit Box**", when the delivery point situated at the Lessor's registered office first enables the Lessee to access the Safe Deposit Box for storage of his things. During activation, the Lessee shall choose a personal identification number (**PIN**) which will subsequently be used to access the Safe Deposit Box.
- 2) If the Lessee finds out that the Safe Deposit Box does not comply with the conditions stipulated in Art. III (7) of these GT&C, in particular if the keys are missing or the Safe Deposit Box is damaged or non-functional, the Lessee is obliged to immediately call in an employee of the Lessor to remove the defects found.
- 3) The Lessee is obliged to return the subject of the lease not later than on the date of termination of the lease under the relevant Agreement. The Lessee must empty the Safe Deposit Box and put both keys obtained upon acceptance of the Safe Deposit Box inside. Return of the Safe Deposit Box to the Lessor is carried out by pushing the "Terminate Lease" button at the delivery point terminal. This option will start appearing on the terminal prior to the expiration of the term of the lease. Defect-free return of the Safe Deposit Box to the Lessor is affected when the system sends the Safe Deposit Box back to its place of storage. As of this moment, the Lessee's passwords and PINs associated with the relevant Safe Deposit Box are deactivated. The Lessor then has 7 (seven) days to inspect the returned box and the keys. The personal card does not have to be returned; it remains with the Lessee and may be used with any potential new lease.

- 4) Any potential damage caused by the Lessee on the subject of the lease which is found upon termination of the lease shall be borne by the Lessee; the Lessor shall set off the necessary costs of repairing the damage against the refundable security deposit, prior to its refund to the Lessee.
If the Lessee fails to empty the subject of the lease within 15 days of the expiry of the Lease Agreement and the lease is not terminated in the manner described in paragraph 3 of this Article, the Lessee acknowledges that the security deposit is forfeited in favour of the Lessor and that the Lessee gives the Lessor his express consent to open the Safe Deposit Box using forcible means. The Lessor shall invite the Lessee to attend the opening of the Safe Deposit Box to withdraw the deposited things.
- 5) If the Lessee fails to attend even after being requested by the Lessor to attend the opening, he shall be deemed to have given consent to opening the box in his absence and to removal of the contents of the Safe Deposit Box by the Lessor, who shall deposit these things. The Lessee is obliged to compensate the Lessor for the costs associated with depositing the contents of the Safe Deposit Box. The things shall be returned to the Lessee only when the Lessee pays all his debts under the Agreement. The Lessor shall invite the Lessee, following the removal of the contents of the Safe Deposit Box or simultaneously with the legal act resulting in termination of the lease of the Safe Deposit Box, to immediately withdraw the contents of the Safe Deposit Box; in the event the Lessee fails to withdraw the contents of the Safe Deposit Box within the period of three (3) years reserved for the withdrawal and does not communicate with the Lessor in any way, this inactivity shall represent his will to abandon the contents of the Safe Deposit Box.
Following the expiry to no effect of the period reserved for withdrawal, the Lessor may dispose of the contents of the Safe Deposit Box at its own discretion.
- 6) The Agreement shall be terminated with the signing of the agreement on the termination of the lease of the Safe Deposit Box which can come about only after the due return of the Subject of the Lease, see Art. IV (3) of these GT&C.

V. Rights and Obligations of the Lessor

- 1) The Lessor is obliged to provide the Safe Deposit Box to the Lessee in a condition suitable for use as agreed in the Agreement, keep it in that condition and properly provide for all the services associated with the lease, thus ensuring to the Lessee an undisturbed use of the Safe Deposit Box during the term of the lease as well as secrecy and maximum security.

The Lessor shall not pay for damage incurred by the Lessee due to robbery if the Lessee caused this damage through his own actions. In case of damage, the value of the contents of the Safe Deposit Box exceeding the aforementioned limit shall not be compensated. The Lessee may arrange individual additional insurance through the Lessor.
- 6) The Lessor shall provide the following services with the lease: non-stop access to the building, security of the building, non-stop assistance to the Lessee in accessing the Safe Deposit Box, nonstop operation of the delivery points and their heating and lighting and the associated utilities, and cleaning.
- 7) The Lessor is obliged to perform such repairs and maintenance of the subject of the lease that are required by law and reported by the Lessee.
- 8) If access is made impossible due to a fault, unplanned shutdown or other urgent reasons, the Lessor shall inform the Lessee of this fact in the 24SAFE premises.
- 9) During the term of the Agreement, the Lessor may replace the Lessee's Safe Deposit Box with a new one in case the Safe Deposit Box is defective or, potentially, if this is required to increase the security and resilience of the Safe Deposit Box or otherwise improve its other parameters. The Lessor shall announce this fact to the Lessee not later than 1 (one) month before the date of the intended replacement of the Safe Deposit Box. The Safe Deposit Box shall always be replaced in the presence of the Lessee.

- 11) The Lessor may restrict access to the Safe Deposit Box if the Lessee breaches or defaults on the terms of lease.
- 12) To ensure the comfort of all the Lessees, the Lessor may, if this becomes necessary, stipulate in the Manual the number of times a Lessee may access the Safe Deposit Box free of charge in the span of one calendar month. In case the Lessee accesses the Safe Deposit Box more times that he is entitled to free of charge, the Lessor may charge the relevant handling fee to the Lessee for the extra times according the 24SAFE Price List.
- 13) If the Lessor reliably learns of a change in the governing body on the part of the Lessee who is a legal person, the Lessor shall deactivate the personal card of the previous governing body of the Lessee, if the previous governing body received such personal card. The Lessor shall inform the Lessee of such deactivation.
- 14) If the Lessee dies and the Lessor reliably learns of this fact, the Lessor shall allow access, for the purposes of emptying the Safe Deposit Box and its handover, to:
 - a) the notary or a court person dealing with the inheritance from the Lessee; or
 - b) the person who proves, through a decision issued in probate proceedings, that he acquired the ownership or co-ownership title to the things stored in the Safe Deposit Box as inheritance from the Lessee.

XI. Miscellaneous

- 1) In case of a breach of any terms and conditions hereunder on the part of the Lessor or the Lessee, the other Party may withdraw from the Agreement as of the date of delivery of an electronic or written notice of withdrawal. In case the Lessor withdraws from the Agreement under which notice is given of the Agreement, the Lessee shall not be entitled to the refund of the prepaid part of the paid rent for the period that has not expired.
- 2) The Parties agree that they shall mainly communicate electronically, using the contact details indicated in the user account at www.24safe.cz. A Party shall notify a potential change in the contact details to the other Party electronically or in person. The Lessee is obliged to notify the Lessor of a change in his personal data during the term of the Agreement and submit the relevant personal identification document for the purposes of inputting the change in the Lessor's system. If only the Lessee's address has changed or if a new personal identification document issued to the Lessee contains no changes of any personal data, sending a photocopy of the new document to the Lessor's e-mail address by electronic means shall suffice.
- 3) The Lessor may choose the documents that must be delivered in writing by registered mail or delivered to the Lessee's own hands. The Lessor shall send these documents to the Lessee's address indicated in the Safe Deposit Box Lease Agreement.
- 4) Documents sent by the Lessor in writing are considered delivered upon their acceptance. In case their acceptance is refused or if the document is returned to the sender as undelivered, the date of the consignment's return to the Lessor shall be considered as the date of delivery, even if the Lessee did not learn of the need to collect the documents. Other documents shall be considered delivered to the Lessee on the 15th business day after sending.
- 5) Relationships and potential disputes arising on the basis of the Agreement shall be resolved exclusively in accordance with the laws of the Czech Republic and before Czech courts with jurisdiction.

- 6) The Agreement is executed in the Czech language. If a client's need necessitates that the text of the Safe Deposit Box Lease Agreement be translated to another language, interpretation of the Agreement in its Czech version shall prevail in case of a dispute. The same shall apply to the wording of these GT&C.
- 7) The sealed Agreement shall be archived by the Lessor for a period of at least five years of its execution, but not longer than the applicable legal regulations permit, for the purposes of its successful fulfilment; the Agreement shall not be available to third parties.
- 8) These General Terms and Conditions shall come into force and effect on 1th August 2022.
